

New ideas are taking shape at Lumicor with the introduction of Kuvio, a lively collection of dimensional geometric wall tiles. Kuvio by Lumicor brings pattern to life with crisp, versatile shapes in a stunning collection of finishes, including rich woodgrains, textured solids, metals and concrete. Each lightweight tile is fully finished making for quick and easy installation; for custom colors, a paintable option is also available. Kuvio takes its name from the Finnish word for pattern, alluding to a key feature of this beautiful wall tile - each of the seven tile shapes can be laid out in a multitude of patterns, allowing for design flexibility and designer creativity.

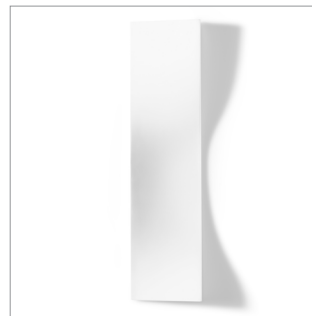

KUVIO // SHAPES

PEAK
12" x 12" x 1.45"
